This topographic map illustrates the Breuberg region, including parts of Darmstadt-Dieburg, Odenwaldkreis, and Miltenberg. The map features contour lines indicating elevation, with peaks such as Eselsberg, Wald-Amorbach, and the Dusenbacher Kopf. Key locations include Hainstadt, Breuberg, Eisenbach, and Lauterhof. The map highlights seven planning areas (WEA 01 to WEA 07) marked with yellow dots and a thick black line. A red dashed line delineates municipal boundaries, and a black line shows the land district (Landkreis) boundary. A black line with arrows indicates the power line (Stromleitung) route. The map is overlaid with a grid and includes a scale bar (0 to 800 meters) and a north arrow. The map is sourced from GeoBasis-DE/BKG/ZSHH 2018/2019 and is powered by GeoGLS OPG (© 2019).
